## Dear Business Partners,

In our journey into the magical world of patisserie, we are constantly evolving and renewing ourselves with Professional Patisserie products and our expert team.

As AFY FOOD, we aim not only to provide high-quality products but also to keep customer satisfaction at the highest level. We are always here for you and value your requests and suggestions. Thank you for accompanying us on this exciting journey, as your happiness is our greatest success.

We invite you to experience the unique products of AFY FOOD and add color to the world of gastronomy.

### About AFY FOOD: Global Presence, Local Strength

Headquartered in Istanbul, Turkey, AFY FOOD conducts business across the entire country, both directly and through regional distributors, focusing on the Out-of-Home Consumption (HORECA) sector. Our company gathers the most renowned producers and brands from Turkey and the world under its roof, offering a comprehensive and quality-driven product portfolio to our valuable business partners.

## 🌐 OUR VISION & MISSION: A Global Commitment to Excellence

### OUR VISION

To be the undisputed international leader in the Patisserie sector by continuously elevating customer satisfaction and setting global benchmarks for quality. We aim to be the partner of choice for clients across the world by driving innovation and research in the specialty food sector. By closely monitoring global developments in patisserie, we will consistently exceed expectations with quality and stability, solidifying our brand as a universal symbol of trust and excellence.

### OUR MISSION

To be a company that creates significant value for our employees and business partners worldwide. Our mission is to be the solution partner for our customers through a culture rooted in Quality, Trust, Stability, and the highest ethical standards in business. We are committed to a sustainable commercial perspective that respects the art of patisserie and contributes positively to the global gastronomy community.
